REGISTRATION / INFORMATION / QUESTIONS

You may register online at <https://bit.ly/3kjinYDA> to access our on-line enrollment form, or contact our Enrollment Consultant, Michele Yasuda, at enroll@hendricks.com, or 800-688-0772 ext. 803. Feel free to reach out to Michele with any questions about this training, the logistics, and more information about our other trainings.

ATTENDANCE EXPECTATIONS

Given that we set the context and container for the entire seminar/training during the first week's session, attendance in the first week's session is required. Should you not be able to participate in the first session, you're welcome to enroll in a subsequent offering of this course. If you have already enrolled and your schedule changes, please let us know so that we can transfer your training funds to a future training or provide you with a refund in accordance with our refund policy. Due to the experiential nature of our seminars and trainings, we recommend that you join these calls in person every week. Many of our activities and processes are conducted in dyads, triads, and in small groups as these configurations greatly support both individual and group learning outcomes.

All sessions will be recorded and shared for post-session watching, which is a great way to anchor your learning experience! If you miss a portion of a week's session, you can get caught up by viewing the recording.

HOW TO PARTICIPATE/ACCESS THE CLASS EACH WEEK

You will receive an email about a week before the start of the course with the Zoom link to join the course on the designated dates. Be sure to check your Inbox and Spam/Junk folders.
