ATTENDANCE EXPECTATIONS

Due to the experiential nature of this training, we recommend that you join these calls live. All of our activities and processes are conducted in break-out sessions with dyads, or groups of 3 or 4 as this greatly supports both individual and group learning outcomes.

All sessions will be recorded and shared only with participants for post-session watching, which is a great way to anchor your learning experience.

HOW TO PARTICIPATE/ACCESS THE CLASS EACH WEEK

You will receive an email about a week before the start of the course with the Zoom link to join the course on the designated dates. Be sure to check your Inbox and Spam/Junk folders. Please add info@Hendricks.com Hendricks Institute to your email contacts to ensure that you receive our emails.

Participants will receive access to a private Mighty Networks group for continued exploration of the course content. This Circle will remain open after the course ends so we can continue our discoveries together.
